Sir:

CORRECTION OF INVENTORSHIP

Attention is directed to the fact that the herewith first submitted inventors declaration includes a correction to inventorship as compared to earlier documents of record. Under current USPTO practice, it is believed that this is sufficient to correct inventorship, and accordingly it is requested that USPTO records be accordingly corrected.

Attached hereto is a copy of a formal notification to the International Bureau by the PCT applicant.

Respectfully submitted,

NIXON & VANDERHYE P.C.
